Puzzle Defeated the Favorite Drumstick in the Fourth.

BRIGHTON BRACH RACE TRACK, Aug. 27.— The weather was delightful at this race track by the sea to-day, a cool and exhilarating breeze blowing in from the ocean, and al-though it came from the back of the stand it was comforting just the same.

There was a slight falling off in the at-

tendance, but the public bet their money with as much gest as usual and the talent and second races landed the money. Lemon Blossom was considered a good

thing for the first event, and there was a general plunge on him and he won hands down.

A fine lot of "yallow dogs" appeared in the second race, which was for maidens. Australand was the public choice and though he wanted to stop every jump, he managed to land the money.

Salvator Was Scratched and Killed All Interest at Monmouth.

HE WILL RUN TO-MORROW.

MONMOUTH PARE RACE TRACK. Aug. 27. As soon as the crowd arrived at Monmouth the first thing they did was to look at the track to see whether it was in condition for the race against time.

It was wet and heavy and Salvator's race

against time had to be abandoned, which disappointed everybody. Then the Issae Murphy affair was discussed. Many claimed that somebody must have tampered with the celebrated lookey, while others said: "Tampered be blamed; Murphy ain't no child!" At any rate, it was the leading topic all the morning.

the leading topic all the morning.

Nothing new has been done by the Executive Committee in regard to Murphy's suspension, and Mr. Galway said he did not know whether a meeting will be held to-day or not.

The Association will give Salvator another chance, and he will rue to-morrow if weather and track are favorable.

The attendance here to-dey is smaller than on regular days of the meeting, and it is doubtful if the crowd is a paying one.

Rancocks was the favorite for the opening event, and thanks to Bergen's vigorous finish he manuscal to win by a neck.

Mrs. Dennett was a slight favorite over Bertla Campbell for the two-year-old race, but the latter heat the former by a neck.

In the extra race given on account of Salvator's withdrawal, King's Own, Ed Hopper and The Annie Bolern nealing were the only entries. The latter went to the postat to 8 favorite and won in the easiest possible manner.
